SUNNY BHOLANATH YADAV

SAP Commerce Cloud (Hybris) & Java Developer | Enterprise Systems Engineer

Mumbai, India • +91-9004696970 • sunnyyadav200012@gmail.com • linkedin.com/in/sunny-yadav-753331204

PROFESSIONAL SUMMARY

Enterprise Software Engineer with nearly 4 years of experience at Asian Paints Ltd specializing in **SAP Commerce Cloud (Hybris), Java, Spring Boot, and Enterprise Integrations**. Proven track record in developing and maintaining high-throughput vendor-facing platforms, integrating SAP ERP backends via custom RFCs and REST APIs, and automating complex financial settlement engines. Adept at full-lifecycle application delivery, code optimization, and cross-functional enterprise workflows.

TECHNICAL SKILLS

SAP & Commerce:	SAP Commerce Cloud (Hybris), Hybris Core/Storefront, SAP ERP, SAP ABAP, RFCs, BAPIs, SAP HANA Studio, SAP SD, Calculation Views, SAP PO,RPA Automation
Backend & Frameworks:	Java, Spring Boot, Spring Framework, Spring MVC, Spring Data JPA, Hibernate, Microservices, RESTful APIs, Python, C/C++, Node JS
Frontend & Templating:	JSP, Servlets, HTML5, CSS3, JavaScript, jQuery
Databases & Rules:	IBM ODM (8.9 / 8.12), IBM DB2, SAP HANA, Oracle SQL, Postgres
Tools & DevOps:	Git, GitHub, Jira, Docker, Maven

PROFESSIONAL EXPERIENCE

Asian Paints Ltd **07/2026 – Present**

Senior Executive – Systems (SAP Hybris & Java Developer) *Mumbai, India*

- Lead development and maintenance for the public-facing enterprise **Vendor Engagement & Procurement Portal** (`supplier.asianpaints.com`) using **SAP Hybris, Java, Spring Framework, and JSP**.
- Engineered end-to-end self-service modules allowing vendors nationwide to submit digital invoices, track real-time payment lifecycles, raise dispute claims, acknowledge POs for dispatch, and activate loyalty tokens, auto mailer jobs for vendors.
- Architected bidirectional enterprise integrations connecting the Hybris storefront to core **SAP ERP via custom RFCs, BAPIs, and REST APIs**, significantly reducing manual intake and processing cycle times.
- Managed feature delivery, sprint backlogs, hotfixes, and release pipelines using **Git and Jira**.

Asian Paints Ltd **07/2023 – 06/2026**

Executive – Systems / Senior Executive (Full Stack Systems Developer) *Mumbai, India*

- Spearheaded end-to-end SDLC for the dealer Credit Note (CN) Scheme Settlement engine deployed nationwide across business units.
- Re-engineered CN Product Split Allocation procedures from HANA to **Python**, eliminating 3+ days of monthly manual effort and accelerating execution speed by **~5x** while reducing database overhead.
- Developed custom RFCs automating Input Utilisation Reporting (IUR), cutting report turnaround from 15–20 days to scheduled automated background runs.
- Collaborated with IBM to upgrade **IBM ODM from v8.9 to v8.12**, establishing in-house development capability for dealer incentive settlements.
- Optimized enterprise systems by developing ABAP module pools, calculation views, and interfaces across Sales, Distribution, Commercial, and Accounts, reducing recurring support overhead by **30%**.

Asian Paints Ltd **01/2023 – 06/2023**

Systems Intern (Software Engineering) *Mumbai, India*

- Assisted in building and validating SAP system integrations, data queries, and operational reports for supply chain and procurement systems.

KEY PROJECTS

- **Spring AI Chatbot Application:** Designed a backend conversational service utilizing Spring AI and open-source LLMs to deliver context-aware query resolution.
- **Job Portal Application:** Developed a full-cycle recruitment web platform using the Spring Framework, Hibernate, and RESTful APIs for posting listings and processing applications.

- **Expense Splitter App:** Engineered an expense management application leveraging optimized data structures to calculate debt-simplification graphs across group settlements.

EDUCATION

Master of Computer Applications (MCA) — University of Mumbai (MET ICS) 2021 – 2023

TFWS Government Scholarship Awardee | Achieved Highest Placement Package in MCA Batch

Bachelor of Computer Applications (BCA) — YCMOU (IMS Hinduja College) 2018 – 2021

Awarded Gold Medal by the Government of Maharashtra for Academic Excellence

CERTIFICATIONS & ACHIEVEMENTS

- **Certifications:** Java Spring Framework 6, Spring Boot 3 & Spring AI; Oracle Java Programming; HackerRank Full Stack Web Development (Java).
- **Problem Solving:** 5-Star rated on HackerRank in Problem Solving, C++, Java, and SQL (150+ problems solved).
- **Leadership:** Headed Department during University Festival, coordinating multi-college tech events.
